

Thank
You 

Dear Sponsors,

We are asking members of our community to sponsor local Youth players in Shasta Magic AAU basketball this Spring 24 season. All Players will play 5-7 tournaments and practice 2 times weekly from March until June.

This time of training and quest to become high school and or scholar/athletes is essential to their development. All donations will go directly to the fees for the player or teams you designate for your donation.

Your contribution is tax deductible as Shasta Magic is a non-profit youth sports organization with
Tax ID # 27-0225080.

Thanks for your time, consideration and support!
